

Independence Day 2019: Books about India's freedom struggle we should read

TNN | Last updated on - Aug 14, 2019, 18:47 IST

India Wins Freedom by Abul Kalam Azad

Maulana Abul Kalam Azad was not just a prominent leader of the national movement, but also an eminent scholar who gave an insider's view of the freedom struggle in his book. His accounts are graphic and one feels empathetic towards the men, women and leaders who participated in this gigantic struggle. His description of the Khilafat Movement and the Satyagraha movement of which he was a participant are vivid and mesmerizing.
